**Subject:** Gift of GPS Units- Fire Department  
**Importance:** High

John: Several months ago the Board of Selectmen accepted a gift of a GPS unit for the ambulance from Mrs. Valarie Malinowski. A value of \$1000.00 was placed on the unit. Since that initial acceptance I was contacted by Mrs. Malinowski who would like to increase her gift to provide for the purchase of 2 GPS units for the Fire Department. The actual purchase price of the 2 units will be approximately \$1800.00. Would you please forward this to the Board of Selectmen for revision and acceptance. Mrs. Malinowski also indicated that she wished me to provide this information and pass along her thanks to Mrs. Rosenzweig because she was the member of the Board of Selectmen who had been involved with and assisted her with her original donation offer. Thank you.

Chief Craig
